

Name: B shearer **ID Number:** 3 **Code:** Psychologist
Birth Year: 1955 **Education:** Post-graduate **Sex:** Male

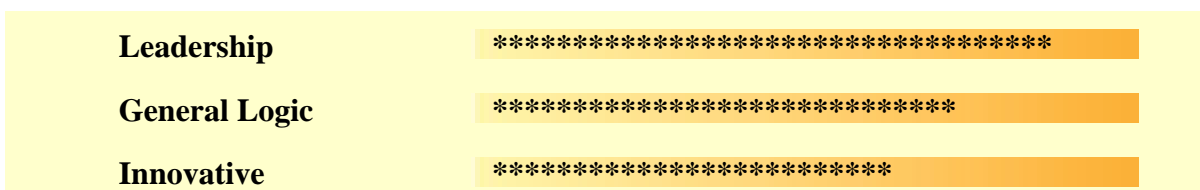

These main scales represent your multiple intelligences profile as reported by you. You should review and verify this profile via reflection, discussion and in comparison with other information

Main Scales

The following Profile represents your intellectual style. These scales indicate if you tend to be more social, practical, inventive in your problem solving abilities.

Style Scales

Processed 2013-12-10

Percent answered items = 100%

The MIDAS subscales are ranked below in the left column from the highest at the top to the lowest at the bottom. The shaded top group represents skills that you identified as strengths. Areas that are least well developed are in the shaded area at the bottom.

	Specific Skill	Main Scale
High	Written / Reading	Linguistic
	Personal Knowledge	Intrapersonal
	Expressive	Linguistic
	Communication	Leadership
	Persuasion	Interpersonal
	Management	Leadership
	Rhetorical	Linguistic
	Effectiveness	Intrapersonal
	Sensitivity	Interpersonal
	Working with People	Interpersonal
	Everyday Problem-Solving	Logical-Mathematical
	Animals	Naturalist
	Social	Leadership
	Composer	Musical
	Science	Naturalist
	Everyday Math	Logical-Mathematical
	Spatial Problem-Solving	Intrapersonal
	Working with Objects	Spatial
	Appreciation	Musical
	Spatial Awareness	Spatial
	Plant Care	Naturalist
	Calculations	Intrapersonal
	Logic Games	Logical-Mathematical
	Dexterity	Kinesthetic
	School Math	Logical-Mathematical
Art Design	Spatial	
Athletic	Kinesthetic	
Vocal	Musical	
Instrument	Musical	
Low		

The following are percentage scores based on the total number of completed items for the main scales and subscales. This profile should be carefully verified before assuming the validity of these scores. Approximate category ranks will assist interpretation.

All Scales	Score	Category
Linguistic	93 (Very High)	
Expressive		100 (Very High)
Rhetorical		84 (Very High)
Written / Reading		100 (Very High)
